

One Minute Can Save Your Life!

FREE PROSTATE SCREENING

Prostate cancer is the most common cancer among men, with an even higher rate in African American men. However, a one-minute exam can identify early stage prostate cancer and improve the chances for successful treatment of the disease.

AN APPOINTMENT IS NECESSARY

PLEASE REGISTER BY CONTACTING:

Mariam Merced or Yesenia Hernandez at 732/247-2050

WHEN: 5PM-8PM
Monday, September 27, 2010
Tuesday, September 28, 2010
Wednesday, September 29, 2010

WHERE: The Cancer Institute of New Jersey
195 Little Albany Street
New Brunswick, NJ 08901

This screening is open to all men 40 years and older

Share this flyer and information with a friend or a family member and encourage them to get screened for prostate cancer too – it only takes one minute to save a life.

Limited free parking will be available in the Robert Wood Johnson University Hospital parking deck across the street from CINJ. Please bring your ticket for validation.
